ABOUT THE PRAXIS SERIES™ PROGRAM

Two Types of Assessments

The *Praxis Series* assessments correspond to two key milestones in your development as a teacher:

- ▶ entering a teacher training program
- ▶ obtaining a license to teach

Praxis I Pre-Professional Skills Tests (PPST®) are designed to be taken early in your college career and measure basic skills in reading, writing, and mathematics. The PPST® tests in Reading and Mathematics are composed of multiple-choice questions only. The Writing test includes both multiple-choice questions and an essay section. The assessments are available in two formats—paper-delivered and computer-delivered. See the section “Computer-Delivered PPST Tests” in the next column for more detailed information about these computer-delivered tests.

Praxis II Subject Assessments measure your content knowledge of the subjects you will teach. The *Praxis II* Subject Assessments in paper-delivered format include:

- ▶ **Subject Assessments.** These assessments measure your general and subject-specific teaching skills and knowledge. These tests feature multiple-choice and constructed-response items.
- ▶ **Principles of Learning and Teaching (PLT) Tests.** These assessments measure your general pedagogical knowledge at four grade levels: Early Childhood, K–6, 5–9, and 7–12. These tests use a case study approach and feature constructed-response and multiple-choice items.
- ▶ **Teaching Foundations Exams (TFE).** These assessments measure pedagogy in four areas: multi-subject (elementary), English Language Arts, Mathematics, and Science. These tests feature constructed-response and multiple-choice items.

Praxis I and *Praxis II* paper-delivered tests are one, two, or four hours in length. You may take any combination of tests that fits the schedule shown below.

Please note: All *Praxis I* and *II* exams are administered in English only.

TEST SCHEDULE FOR PAPER-DELIVERED TESTS		
Session 1		
One 2-hour test or One 4-hour test	OR	One or Two 1-hour tests
Session 2		
One 2-hour test	OR	One or Two 1-hour tests

Computer-Delivered Tests

Praxis I Pre-Professional Skills Tests

Praxis I Computer-Delivered Pre-Professional Skills Tests (PPST) are computer-delivered tests in Reading, Mathematics, and Writing. The Writing test includes an essay section. The use of calculators for the Mathematics test is prohibited.

The computer-delivered PPST tests in Reading, Mathematics, and Writing are offered as single tests or a combined test that is delivered in a single testing session. The combined test consists of four separately timed sections: Reading, Mathematics, multiple-choice Writing, and essay Writing. An optional 15-minute break is offered between the Mathematics and Writing sections of the test. Individual scores will be reported for Reading, Mathematics, and Writing.

During the computer-delivered PPST, all test takers receive the same:

- ▶ Test directions
- ▶ Tutorials on computer use
- ▶ Amount of testing time
- ▶ Question types
- ▶ Distribution of content

The testing session for each computer-delivered PPST test is two (2) hours. A combined test (all 3 tests) is four and a half (4½) hours. This allows time for tutorials and the collection of background information from test takers. The length and testing time for each test or section are as follows:

Reading	46 questions	75 minutes
Mathematics	46 questions	75 minutes
Writing	44 questions 1 essay	38 minutes 30 minutes

Praxis II Subject Assessments

- ▶ Elementary Education: Content Knowledge
- ▶ Elementary Education: Curriculum, Instruction, and Assessment
- ▶ French: World Language
- ▶ German: World Language
- ▶ Spanish: World Language

The testing session for the computer-delivered Elementary Education: Content Knowledge and Elementary Education: Curriculum, Instruction, and Assessment tests are three (3) hours. The testing session for the computer-delivered French: World Language, German: World Language, and Spanish: World Language tests are three and a half (3 1/2) hours. This allows time for tutorials and the collection of background information from test takers. The length and testing time for each test are as follows:

Elementary Education: Content Knowledge	2 hours
Elementary Education: Curriculum, Instruction, and Assessment	2 hours
French: World Language	2 1/2 hours
German: World Language	2 1/2 hours
Spanish: World Language	2 1/2 hours

Nonstandard test accommodations (extended testing time) may be available for test takers whose primary language is not English. Test takers who meet ETS requirements will be allowed 50 percent additional testing time.

Because of the time needed to review documentation and limited space and test materials at the test center, PLNE accommodations are NOT available for emergency registration. Once PLNE accom-

modations are approved, test changes and/or additions, or test center changes, are not permitted. PLNE accommodations are not offered for language tests.

How to Register for PLNE

Your request for PLNE accommodations must include the following:

- A completed Certification of Documentation form (*page 19*). The Program has the right to request further verification, if needed, of the professional's credentials and expertise relevant to the certification of documentation form. An embossed school seal must be affixed over the signature on the certification of documentation form or the signature must be notarized.
- A completed Eligibility Form for Test Takers Whose Primary Language Is Not English (*page 20*). **It is necessary to complete this form each time you register for these accommodations.**
- A completed registration form for paper-delivered tests (or Computer-Delivered Test Authorization Voucher Request Form for *Praxis I* computer-delivered PPST tests) and appropriate fees. Be sure to check the box at the top of the form to indicate that you are requesting nonstandard testing accommodations.

All materials must be submitted together and received at ETS by the LATE registration deadline listed on the back cover of this *Bulletin*. Requests received at ETS after these dates, incomplete requests, and requests received on outdated forms will be returned to you unprocessed. All documentation must be approved before the test administration date. The Program will make every effort to evaluate all requests in a timely manner. If further verification of the professional's credentials and expertise relevant to the documentation submitted is needed, it is possible that testing will be delayed until the next applicable test date. Because of ETS's need to review documentation in order to provide accommodations, all test takers must register through ETS, even if taking a computer-delivered PPST test. You cannot register through Prometric if you are requesting testing accommodations.

Test Dates and Special Registration Instructions for PLNE Accommodations

You must use the paper-delivered testing registration form found at www.ets.org/praxis when applying for PLNE accommodations. Check the desired test date on your registration form. You may register only for a PLNE test date. **PLNE is offered on the following test dates: September 18, 2010; January 15, 2011; April 30, 2011; and June 11, 2011.**

Using the PLNE Test Center List on the *Praxis* website, write the test center code, name, and location in the Test Center section of the registration form.

If you are paying with a paper check, all documents must be sent together in an envelope to ETS—*The Praxis Series*, PO Box 382065, Pittsburgh, PA 15251-8065. If you prefer to provide credit/debit card information to pay, PLEASE mail all documents to ETS—*The Praxis Series*, PO Box 6051, Princeton, NJ 08541-6051.

ETS recognizes the right of individuals to confidentiality with regard to documentation supplied by and about them that may be stored in files held by ETS and the concomitant responsibility of ETS to safeguard information in its files from unauthorized disclosure.

Reregistration

If you have previously registered and your request for accommodations has been approved by ETS, you may request the same testing accommodations for subsequent test dates. **To reregister, submit a completed Eligibility Form (*page 20*) indicating your candidate ID number and the test date for which documentation was approved and on file at ETS, a registration form (or Computer-Delivered Test Authorization Voucher Request form on *page 18*), and appropriate fees by the registration deadlines.** If reregistering by telephone, you do not need to submit the Eligibility Form (*see page 10* for additional information).

TELEPHONE REREGISTRATION (PAPER-DELIVERED TESTS)

Fee: \$35 (in addition to registration, surcharge, and test fees)

This service is for those who have previously registered for any *Praxis* test and wish to reregister by telephone. This service may be used to register for domestic centers only up until the late registration closing date. When registering for Monday testing, you may use this service until the Monday deadline (*see back cover*).

EMERGENCY REGISTRATION (PAPER-DELIVERED TESTS)

Fee: \$75

This service is for test takers who need to register to test but have missed the regular and late registration deadlines. Emergency registration will guarantee test takers a seat at a test center. Because of the amount of time needed to review documentation, this service is not available for test takers who require nonstandard testing accommodations, PLNE accommodations, Monday testing, or testing outside the continental U.S. Registration can ONLY be done on the *Praxis* website at www.ets.org/praxis. You may register for this service until the emergency registration deadline (*see back cover*). **Standby testing is no longer permitted.**

CHANGING YOUR TEST OR TEST CENTER

(PAPER-DELIVERED TESTS)

Fee: \$45

If you wish to add or change a test or change a test center, call ETS by the **EMERGENCY** registration deadline listed on the back cover of this *Bulletin*. until test day, **we cannot guarantee that your request can be met.**

Note: If you are changing your test date, you must transfer all of your tests. A single test may not be transferred to a future test date. A refund will not be issued for any test not taken on the original test date.

After the test administration, score reports requiring corrections for date of birth, social security number, spelling of name, or other information will require file corrections. As a part of this service, you may have your scores sent to one institution or agency.

- ▶ You may not change your name on the file, only correct the spelling.
- ▶ If an adjustment to your social security number is required, please include a clear copy of your social security card. You may not change your social security number on file, only make corrections.

Test Retake Policy

COMPUTER-DELIVERED TESTS

You may take each computer-delivered test only once per 30 consecutive days, not including the day of your test. If you wish to retest, you must choose a test date that is more than 30 days after your previous test date. NOTE: If you take the combined PPST test, you cannot take an individual PPST test until after the 30-day period. This applies even if you canceled your scores on a test taken previously. If you violate this restriction, the scores from your retest will not be reported and your test fees will not be refunded.

PAPER-DELIVERED TESTS

ETS does not limit the number of times you can retake a test; some states, associations, and institutions, however, may limit the number of times you can retest. Contact your state or licensing agency to confirm their retake policy.

Note: The test retake policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation.

ON TEST DAY

Identification (ID) Requirements

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

The identification (ID) requirements in this section must be read by all test takers. It is your responsibility to ensure that your ID documents are up-to-date and available on the day of the test.

Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific information below for acceptable primary and supplemental ID documents.

- ▶ You must have **acceptable** and **valid ID** with your **name**, **signature**, and **photograph** to be admitted to a test center. ID requirements are strictly enforced
- ▶ It is your responsibility to read and understand the ID requirements. It is not the responsibility of the registration or test center to relay these policies to you.
- ▶ The **photograph** on your ID document must be **recent** and **recognizable**.
- ▶ The **ID** must be **current** (not expired). There is one exception to this requirement. If your driver's license has expired but you have your renewal certificate, these two together are acceptable as long as the name on the driver's license and the name on the renewal certificate are the same. If you have renewed your license and you are issued a temporary permit, this can be presented with an acceptable supplemental ID. See "**Acceptable Supplemental ID Documents**" on page 12.
- ▶ All documents must be originals; copies are not acceptable.
- ▶ If you arrive at the test center without the required ID, you will not be permitted to test and you will forfeit your registration and test fees.

When You Register

- ▶ You must use the exact name and spelling of that name as shown on the primary ID document that you will present at the test center. If the name shown on your primary ID does not match the name on your registration record, you will not be permitted to test and a refund will not be issued. You will have to register again and pay a new registration and test fee.
- ▶ Be sure to provide your entire first name (given name) and your entire last name (family name). Do not register under a nickname. If your ID document contains two last names, enter the names exactly as they appear on your ID. If you register by phone, please make sure you are registered under your complete name as it appears on your ID.

At The Test Center

- ▶ Only misspellings of your name can be corrected at the test center—**NAME CHANGES WILL NOT BE MADE**. If your name has changed for any reason, including marriage, you still must present primary ID in the name under which you registered, or you will not be permitted to test. Marriage certificates and divorce decrees cannot be used to confirm name differences. **Please do not bring these documents with you to the test center.**
- ▶ If the first name on your primary ID document contains only a first initial, a supplemental ID containing your entire first name must be presented.
- ▶ If your ID does not contain your signature, either sign your ID document or present a supplemental ID that includes your signature.
- ▶ If test center personnel question the ID document you present, you will be required to provide a second proof of identity. If positive confirmation cannot be made, you may be refused admission to the test center and you will forfeit your registration and test fees.

ON TEST DAY *(continued)*

- ▶ Test center personnel will check your ID before assigning you a seat at the test center and you may be asked to sign the test center log. The test administrator will check your name, signature, and photograph to verify that you are the person in your ID document(s). This procedure will be repeated before and after all breaks.
- ▶ Admittance to the test center does not imply that your form of ID is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel scores in the event the ID requirements set forth herein are not met.
- ▶ Test centers are not required to hold your seat if you leave the center to obtain acceptable ID.

Acceptable Primary ID Documents

Testing in India

You **MUST** present a valid **passport** with your **name, photograph, and signature** as your primary ID document. There are no exceptions to this policy.

TESTING IN YOUR COUNTRY OF CITIZENSHIP

- ▶ State or Province ID issued by the motor vehicle agency with name, photograph, and signature
- ▶ National ID with name, photograph, and signature
- ▶ Military ID with name, photograph, and signature

If the test administrator has any concerns about the primary ID document, you will be required to present an acceptable supplemental ID. **See "Acceptable Supplemental ID Documents" on this page.**

TESTING OUTSIDE YOUR COUNTRY OF CITIZENSHIP

- ▶ You must present a valid **passport** with your name, photograph, and signature as your primary ID document. (Citizens of European Union and Schengen Zone countries, see below.) If you do not meet this requirement, you may not be permitted to test.
- ▶ U.S. military personnel may present their **U.S. military ID cards**. If a military ID card does not contain your name, a photograph, and signature, a supplemental ID is required. **See "Acceptable Supplemental ID Documents" on this page.**
- ▶ Diplomatic and embassy ID cards cannot be used as primary ID in place of a passport.
- ▶ If your passport is **not written in English-language letters**, you must also present a supplemental ID that contains your name; a recent, recognizable photo; and is in English.

If you are not a U.S. citizen but you are testing in the U.S., the following documents are also acceptable for admission. These documents **must be accompanied by a supplemental ID** that contains your name, photograph and/or signature. **See "Acceptable Supplemental ID Documents" on this page.**

- ▶ Temporary Resident Card (Form I-688)

- ▶ If your ID is **not written in English-language letters** and the test administrator cannot read the language in which it is written, you may not be permitted to test.

Acceptable Supplemental ID Documents

If your primary ID is missing your **name, photo, or signature**, you must present one of the following supplemental IDs in addition to your primary ID. **The supplemental ID must contain your name; a recent, recognizable photo; and your signature, and it cannot be expired.**

- ▶ **Government-issued ID** (including but not limited to passport, U.S. passport card, driver's license, state/province ID card, national ID, or military ID). **There are some exceptions; see "Unacceptable ID Documents" below.**
- ▶ **Student ID**
- ▶ **Confirmation of identity letter from your educational institution.** The letter must contain your name; date of birth; a recent, recognizable photo; your signature; the name of your school; and the date issued. It must be typed on the original letterhead of the educational institution you attend(ed), and the signature of the school official and the school seal must overlap your photo. A letter of identity is valid for only one year from the date of issue.

Unacceptable ID Documents

- ▶ Any expired ID (except for expired driver's license together with renewal certificate, subject to conditions previously set forth)

Test Center Procedures and Regulations

GENERAL GUIDELINES ON TEST DAY

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

- ▶ Dress so that you can adapt to any room temperature.
- ▶ Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test. Except for ETS-authorized observers, visitors are not permitted in the testing room while testing is in progress.
- ▶ ID verification at the test center may include thumbprinting, photographing, videotaping, or some other form of electronic ID confirmation. If you refuse to participate, you will not be permitted to test, and you will forfeit your registration and test fees. This is in addition to the requirement that you must present acceptable and valid identification.
- ▶ Other than ID, personal items (such as handbags and study materials) are not allowed in the testing room. Before the test, you will be assigned a locker or receive instructions from test center personnel regarding where you must store personal items. You may also be asked to empty your pockets. Storage space is limited, so plan accordingly. You may not have access to your personal items during the test or break. Not following any of these may result in you being dismissed from testing, and/or your scores may be canceled. **Please note: Possession of or use of telephones, cell phones, BlackBerry devices, PDAs, or other electronic or photographic devices is prohibited in the test center and will result in your dismissal from the test, forfeiture of your registration and test fees, and cancellation of your scores by ETS.** If you are seen using any of these electronic devices and/or transmitting data including but not limited to text messaging, e-mail, or photographs, your device may be confiscated or inspected.
- ▶ Test centers assume no responsibility for personal items or devices that you choose to bring into the test center.
- ▶ The test administrator will assign you a seat.
- ▶ On occasion, weather conditions or other circumstances beyond the test administrator's or ETS's control may require a delayed start or the rescheduling of your test.

Calculators

- ▶ Graphing, scientific, and four-function calculators are allowed or required for some *Praxis* tests; for detailed information, see "Calculator Use" at www.ets.org/praxis. Unless it is specifically stated that a calculator is permitted or required for a particular test, calculators may not be used.

COMPUTER-DELIVERED TESTS

The following procedures and regulations apply during the entire test session, which begins at sign-in, ends at sign-out, and includes breaks.

- ▶ If you requested and received an authorization voucher from ETS, you must take it with you to the test center.
- ▶ You will be required to write (not print) and sign a confidentiality statement at the test center. If you do not complete and sign the statement, you may not be allowed to test and your fees will NOT be refunded.
- ▶ You will be required to sign the test center log before and after the test session and any time you leave or enter the testing room.
- ▶ The administrator will provide you with scratch paper that may be replaced after you have used all pages of the scratch paper initially given to you. You may not take your own scratch paper

to the test, nor may you remove scratch paper from the testing room at any time. The scratch paper is provided to assist test takers in working out problems and for appropriate note-taking during the timed sections of the test. Scratch paper should NOT be used during the untimed sections or during breaks.

- ▶ You may be asked to remove your watch and to store it during the test administration.
- ▶ If you need to leave your seat at any time other than a scheduled break, raise your hand; timing of the section will not stop.
- ▶ If at any time during the test you have a problem with your computer, or for any reason need the administrator, raise your hand.
- ▶ Testing premises are subject to videotaping.
- ▶ The maximum time allotted for the tutorial and/or other untimed sections prior to the test is 30 minutes. The purpose of the tutorial and/or other untimed sections prior to the test is to become familiar with the computer functions and other important information that will make your computer-delivered test experience as convenient as possible. The time you spend on the tutorial and/or other untimed sections should not be for any other purpose. You may not use scratch paper during this time. Infractions will be reported to ETS, and the test administrator is authorized to dismiss you from the test administration if you fail to follow the test administrator's directions.

PAPER-DELIVERED TESTS

The following procedures and regulations apply during the entire test session, which begins when you are admitted to the test center, ends when you leave the test center, and includes breaks.

- ▶ Administrators will not honor requests for schedule changes.
- ▶ Take your admission ticket and photo ID to the test center.
- ▶ Take three or four sharpened soft-lead (No. 2 or HB) pencils, a good eraser, and a blue or black pen. **Mechanical pencils cannot be used.** Pencils, erasers, and pens will not be supplied at the center.
- ▶ No test taker will be admitted after test materials have been distributed.
- ▶ Paper of any kind is not permitted in the testing room.
- ▶ You must have the administrator's permission to leave the room during the test. Any time lost cannot be made up.
- ▶ You may wish to pace yourself with your own watch, but the administrator is the official timekeeper. You will not be permitted to continue the test or any part of it beyond the established time limit. **Watch alarms and clocks on cell phones are not permitted.**
- ▶ Answers to multiple-choice questions recorded in the test book will not be scored. You may use the test book to work out your answers, but you must mark **all** your answers on the separate answer sheet before time is called. Answers to constructed-response questions or essays should be written on the indicated pages or answer sheet.
- ▶ At the conclusion of the test you will be required to return your test book and answer sheet to the test administrator. These materials are the property of ETS.

Art-Making Test

- ▶ If you are taking the Art-Making Test, you must bring four color photographs or still reproductions of your own artwork.
 - ▶ Each image must be of a different work.
 - ▶ Each of the images must be clear and show the complete artwork.
 - ▶ At least two of the artworks represented must be in a medium or media that is not used in any of the other artworks.

(For more detailed information about these guidelines, see the *Art-Making Test at a Glance* (TAAG) material at www.ets.org/praxis.)

ON TEST DAY (continued)

Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence.

- ▶ attempting to take the test for someone else or having someone else take the test for you
 - ▶ failing to provide acceptable identification
 - ▶ obtaining improper access to the test, a part of the test, or information about the test
 - ▶ possessing or using a telephone, cell phone, BlackBerry® device, PDA, or other electronic or photographic device. Such devices are prohibited at the test center. If you bring these devices to the test center, you will be dismissed from the test, forfeit your registration and test fees, and will have your scores canceled by ETS.

 - ▶ leaving the testing room without permission
 - ▶ leaving the testing room before the test session is dismissed (except the unscheduled break during the testing session)
 - ▶ taking excessive or extended unscheduled breaks during the test session. Test administrators are required to strictly monitor unscheduled breaks and report test takers who take excessive or extended breaks.
 - ▶ referring to, looking through, or working on any test, or test section, **when not authorized to do so**, or working after time has been called
 - ▶ failing to follow any of the test administration regulations contained in this *Bulletin*, given by the test administrator, or specified in any test materials

ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or canceling your scores—for failure to comply with test administration regulations or the test administrator's directions. If your scores are canceled, they will not be reported, and your registration and test fees will not be refunded.

REGISTERING A COMPLAINT

If you think conditions at the test center were such that you were unable to perform satisfactorily, you may cancel your score(s). You may also request a retest. However, ETS will investigate before responding to your request. Complaints need to be received in writing no later than seven (7) business days after the administration. Complaints received after this period will not be accepted. Please see *page 7* for additional information. Also, please note that retests cannot be offered once scores for a specific test date have been reported.

SCORES & SCORE REPORTS

Reporting Your Test Scores

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

If you test in Alabama, Arkansas, California, Colorado, Connecticut, Delaware, District of Columbia, Georgia, Hawaii, Idaho, Indiana, Kansas, Kentucky, Louisiana, Maryland, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, Virginia, Washington, or West Virginia, a copy of your scores will automatically be sent to that state's teacher credentialing agency.

If you completed or are planning to complete an approved teacher education program in Kansas, Minnesota, Oklahoma, Washington D.C., or Wisconsin, you must designate your educational institution as a score recipient. If you are applying for licensure in one of these states, but completed your teacher preparation in another state, you

must submit an ETS score report to the Kansas State Board of Education, the Minnesota Department of Education, the Oklahoma Board of Regents, D.C. Public Schools, or the Wisconsin Department of Public Instruction, along with your licensure application.

Note to Speech-Language Pathology and Audiology test takers: Please refer to the **Speech-Language Pathology and Audiology Attending Institution/Recipient Code List** to designate an attending institution and a score recipient (see *Praxis website*).

Your score report will be available to you online on the score report release date, approximately four weeks after the test date. (See the last page of this bulletin for score report release dates for each test date.) Online scores are downloadable and available for forty five (45) calendar

SCORES & SCORE REPORTS *(continued)*

days from the score reporting date. You can also request your scores to be sent to up to three score recipients.* In order for your attending institution (college or university where you received training that most closely relates to the test(s) you are taking) to receive a copy of your score report, you **MUST** list the institution as a score recipient. Individual score reports are **NOT** sent to attending institutions unless they are designated as a score recipient. For a fee you can request more than three (3) score recipients. See “Additional Score Reports (ASRs)” on *this page*.

Your scores for a specific test will be sent to a designated recipient only if that institution or agency is eligible to receive those test scores. For exceptions, please see “Confidentiality of Information” on *page 17*. Score reports will list your current score and highest score earned on each test taken over the last ten (10) years.

You will receive passing score information on your score report for those score recipients you designated when you registered. If you list an institution as a score recipient, the passing score information you receive will be based on the scores set by the teacher licensing agency of the state in which the institution is located. Passing score information will be provided for the highest score for each test taken and listed on your score report. The passing score information is based on the most recent information *The Praxis Series* program has for each agency, association, or organization. Score recipients you choose on the registration form and the Additional Score Report Request form will receive passing score information that is pertinent only to them. They will not receive passing score information for other agencies, associations, or organizations.

Official score reports will not be released if you have an outstanding balance, which may include an outstanding balance for previous services from *The Praxis Series* program.

Scores from the 2009–10 testing year will be available for reporting on additional score reports for ten (10) years. Test taker background data will be retained for the same time period. Detailed information from current score reports is available for only three (3) months after the scores are initially reported.

For more information about your scores, you may download *Understanding Your Praxis Scores* from the *Praxis* website at www.ets.org/praxis.

COMPUTER-DELIVERED TESTS

You will review unofficial scores for multiple-choice tests at the test center; however, because of the scoring process, you will not view scores for tests that include constructed-response questions (PPST Writing and the World Languages tests) at that time. Test centers cannot provide printed copies of score reports. Your official scores will be supplied to your score recipients and available for you to view, print, and download by accessing the online user account you created within 10–15 business days after you take the test for most test titles. Scores for tests that are administered during a specific testing window will be available by web 10–15 days after the testing window closes (regardless of the specific day on which you tested within that window). To obtain scores by phone, see the section under Scoring Services on this page.

PAPER-DELIVERED TESTS

Score reports will be available online approximately four weeks after the test date. Online scores are downloadable and available for forty-five (45) calendar days from the score reporting date. Your scores may be delayed if you do not:

- ▶ Fill out your answer sheet properly and grid the correct ovals
- ▶ Provide the same identifying information on your registration form and answer sheet
- ▶ Write your constructed response or essay on the assigned page

* ETS reserves the right to refrain from sending score reports

(1) to entities that have been found to violate the Guidelines for Proper Use of The Praxis Series and Related Assessments, and

(2) to entities against which complaints of violation have been made pending completion of ETS's inquiry into the claimed violation(s).

Questions That Do Not Count Toward Your Score

The test(s) you take may include one or more questions that do not count toward your score. These “pretest questions” are new questions that are being tried out in actual test administrations.

Test takers are not told which questions are in this category because ETS needs to determine how such questions function under actual testing conditions. Nonscorable questions may appear in some, but not all, *Praxis* tests.

ADDITIONAL SCORE REPORTS (ASRs)

(COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS)

Fee: \$40 each

At your request, ETS will send your scores and reportable background information to additional institutions or agencies. You may complete your request online (for paper-delivered tests only), by mail, phone, or fax. To make an ASR request online, log in or set up an account on the *Praxis* online registration site. On the “My *Praxis* Paper-Delivered Testing Home Page,” click on “Order Additional Score Reports” under the “My Test Registrations and Orders” section. Follow the online instructions to complete your order. To request an ASR by mail or fax, download and complete the Additional Score Report form located on the website at www.ets.org/praxis. Telegram requests will not be processed. ETS will process your score report (indicating only the highest score earned on each test) within ten (10) working days after your request and payment are received.

When you ask ETS to send additional score reports to institutions or agencies, you automatically authorize ETS to report your highest scores for all tests taken over the past ten (10) years. These could include test results from *Praxis I* Pre-Professional Skills Tests (PPST), Computer-Delivered PPST tests, *Praxis II* Subject Assessments, and Principles of Learning and Teaching test administrations. (Scores for a specific test will be sent to a recipient only if that recipient is eligible to receive those scores.)

SCORES & SCORE REPORTS *(continued)*

If scores have not been reported from a current administration and you want the institutions or agencies listed on your Additional Score Report Request form combined with those listed on your registration form, check the appropriate box on the form. Current and highest scores will then be reported to all recipients requested. You will automatically receive a copy of your score report confirming that your score report was sent.

SCORE VERIFICATION/REVIEW SERVICE (COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS)

Fee: see “Fees for Tests and Related Services” on page 8

Multiple-choice answer sheets are machine scored, which gives virtually 100 percent accuracy. However, occasionally test takers feel their scores have been reported incorrectly. You may request verification of a multiple-choice test score if you feel the score is in error. (NOTE: Multiple-choice questions on computer-delivered tests are not available for score verification because they were transmitted electronically and scored once at the test center and verified.)

All constructed-response and essay readers have been carefully trained and follow strict scoring procedures. Each test that contains one or more constructed-responses or essays is scored by more than one reader. However, if you feel that your score for a constructed-response or essay test does not accurately reflect your performance, you may request a score review of your test.

To have a score verification for a multiple-choice test or a score review of a test containing a constructed-response or essay, download and complete the Score Verification Request form from the Praxis website at www.ets.org/praxis and send it to ETS with the proper fee. **Your request must be received within four (4) months of the test date.** If there is a change in your reported score, the revised score (which may be higher or lower than your originally reported score) will be reported to you and to the recipients of the original score, and your verification fee will be refunded. Your test books and answer sheets are not available for disclosure. Please note that your score for a specific test will be verified/reviewed only once.

Cancellation of Scores by You

COMPUTER-DELIVERED TESTS

Before viewing your scores, the computer gives you the option of canceling your scores when you finish each test. **NOTE: If you are taking the combined PPST test and choose to cancel your scores, scores from all four (4) sections will be canceled.** Once you have viewed your scores, they cannot be canceled. If you choose to cancel your scores, you cannot view them on the computer screen and they cannot be reinstated. You will not receive a refund if you cancel your scores.

You may also choose to stop taking the test (Quit). **If you select the Quit option during the test, you will receive no score and no refund.**

PAPER-DELIVERED TESTS

You may cancel your scores from a particular test session if your written request is received at ETS within one (1) week after the test date. (ETS cannot honor requests to have scores from previous test administrations deleted from your permanent records.) To cancel your scores, complete and submit the Request for Score Cancellation form from the Praxis website at www.ets.org/praxis. You will not receive a refund of any fee when you cancel your scores. Once scores have been canceled, they will not be reported, nor will they be reinstated on your record.

Cancellation of Scores by ETS

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS’s standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any

Note: For paper-delivered testing, the retest option is available only to test takers in the United States and Canada. The arbitration option is available only for tests administered in the United States.

test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score when, in ETS’s judgment, any of the following conditions arise: a **testing irregularity occurs**; there is an apparent **discrepancy in a test taker’s identification**; the test taker engages in **misconduct** or **plagiarism**; or the score is **invalid** for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker and in certain group cases.

Test takers whose scores are canceled will forfeit their registration and test fees, and must pay to take the tests again at a future administration. No record of score cancellations, or the reason for cancellation, will appear on their future score reports sent to colleges and universities.

Testing Irregularities

“Testing Irregularities” refers to problems with the administration of a test. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials, and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test, or cancel the test score. When in ETS’s judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

Identification Discrepancies

When in ETS’s judgment, or the judgment of test center personnel, there is a discrepancy in a test taker’s identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test, or cancel the test score if the documents completed on test day cannot be authenticated. If test scores are canceled by ETS, the test fees will NOT be refunded.

Misconduct

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, or ETS may decline to score the test, or cancel the test score. Test takers whose scores are canceled will forfeit their registration and test fees. Misconduct includes, but is not limited to, noncompliance with the “Test Center Procedures and Regulations,” on pages 13–14 of this *Bulletin*.

Invalid Scores

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns, and inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS's concerns, considers any such information submitted, and offers the test taker a choice of options. The options include voluntary score cancellation, a free retest, or arbitration in accordance with ETS's standard Arbitration Agreement. In addition, the test taker is sent a copy of a booklet, *Why and How Educational Testing Service Questions Test Scores*, which explains this process in greater detail. (This booklet is available to any test taker at any time on request from the ETS Office of Testing Integrity. Call 1-800-353-8570 or e-mail TSReturns@ets.org.)

When essay scores are canceled because an essay is unusually similar to other test takers' essays, or because the essay contains unattributed material, only the retest score is reported for the essay; the score for the questioned essay is not released.

Your essay responses on the writing or constructed-response items will be reviewed by experienced ETS essay readers during the scoring process. ETS reserves the right to cancel test scores of any test taker when there is substantial evidence that an essay response includes, but is not limited to, any of the following:

- ▶ text that is substantially similar to that found in one or more other *Praxis* essay responses;
- ▶ quoting or paraphrasing, without attribution, language or ideas that appear in published or unpublished sources;
- ▶ unacknowledged use of work that has been produced through collaboration with others without citation of the contribution of others;
- ▶ essays that are submitted as work of the test taker when the ideas or words have, in fact, been borrowed from elsewhere or prepared by another person.

When one or more of the above circumstances occur, your essay text, in ETS's professional judgment, does not reflect the independent writing skills that this test seeks to measure. Therefore, ETS must cancel the essay score as invalid and cannot report *The Praxis Series* scores of which the essay score is an indispensable part.

Confidentiality of Information

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

ETS recognizes your right to control the information about you that is stored by ETS. Its policies are designed to safeguard your information from unauthorized disclosure.

Your score report is intended only for you and for your designated score recipients. However, background information as noted on the registration form is reported to some states and institutions. To protect your right to control the distribution of your scores, reports will be released only at your specific written request and only to ETS-approved score recipients. Every recipient must be specified by you in writing on one of the designated forms or in correspondence. ETS will not release your scores at the request of institutions or agencies except:

- ▶ for use in research studies approved by *The Praxis Series* program and that preserve your anonymity
- ▶ when information is required under compulsion of legal processes
- ▶ when a state's central regents office or board of governors requests copies of scores that have been reported to its member institutions
- ▶ when test takers at a regular or special administration have been informed by the administrator beforehand that their scores will automatically be released to the state
- ▶ when test takers have been notified in the *Bulletin* that a particular state requiring scores has arranged for all individuals tested in that state to have their scores sent directly from ETS
- ▶ Sections 205 through 208 of Title II of the *Higher Education Act (HEA)* as amended in 2008 (PL 110-315) call for accountability for programs that prepare teachers. Section 205 of Title II requires reports from each institution of higher education (IHE) that conducts a traditional teacher preparation program or an alternative route to state certification or licensure program and that enrolls students receiving federal assistance under *HEA* (e.g., Title IV). **The report will contain aggregate data only and will not include any information that identifies test takers.**
- ▶ when a branch institution requests scores previously sent to its main office or vice versa

Official score reports for properly designated recipients are sent directly from ETS to ensure the authenticity of the reports. Note that whenever ETS has confirmed that you have submitted a *Praxis* test score directly to an educational institution, agency, or district in satisfaction of one of its requirements, ETS will respond to requests for score verification from that recipient.

Uses of Scores

COMPUTER-DELIVERED AND PAPER-DELIVERED TESTS

ETS does not set passing scores for the tests. *The Praxis Series* tests user states, institutions, and associations set their own passing scores. Following the direction provided in the *Guidelines for Proper Use of The Praxis Series™ and Related Assessments*, ETS offers its score recipients professional counsel regarding the purpose and appropriate application of the test scores. ETS's agreement with state agencies and associations that use *The Praxis Series* tests for decisions about the certification of educators requires that test scores be used only in conjunction with other criteria.

All states and associations that use *The Praxis Series* tests are surveyed to obtain information about the qualifying scores that are required on these tests.

However, the ETS file is not official and may not reflect changes in test requirements that are implemented between surveys. If you have any questions about state or association requirements or passing scores, contact that state or association directly.

Test Takers' Performance Data

Test takers' performance data may be used in analysis samples, score interpretation data, group statistics, and research studies. Test takers' constructed responses may be used in ETS materials to train scorers, to help score recipients interpret scores, or to help test takers prepare for the test. In each instance, all identifying information will be removed.
